OFFICIAL STATEMENT ON THE LAUNCH OF THE INTERNATIONAL ASSOCIATION OF COMMONWEALTH CLUBS REGISTRATION AND MEMBERSHIP REGISTRATION PORTAL

1 JUNE 2026

The International Association of Commonwealth Clubs (IACC) is a global platform established to promote **international cooperation**, people-to-people engagement, leadership development, youth and community empowerment, cultural understanding, entrepreneurship, humanitarian initiatives, and **sustainable development** throughout the Commonwealth and beyond. Guided by the shared values of partnership, inclusivity, and service, the Association seeks to strengthen connections among individuals, institutions, and communities while fostering meaningful collaboration for positive social impact.

It is with great pleasure that we mark the **official launch** and commencement of the **Commonwealth Clubs Registration and Membership Registration Portal** with effect from **1 June 2026**. This important milestone represents the beginning of a new chapter in the growth of the Association, providing an official gateway for the **registration of Commonwealth Clubs** and the enrolment of members within an expanding international network dedicated to cooperation, innovation, leadership, and community engagement. Through this platform, the IACC aims to further strengthen **global connectivity** and create opportunities for dialogue, engagement, and collective progress.

As we embark upon this significant journey, we warmly invite **citizens of the Commonwealth**, community organizations, educational institutions, professionals, entrepreneurs, youth leaders, and all those who share our vision to become part of the International Association of Commonwealth Clubs. Together, we can strengthen people to people connection, empower communities, encourage mutual understanding, and contribute towards a more connected, inclusive, and sustainable future for present and future generations.

"Connecting People, Empowering Nations, Strengthening the Commonwealth."
